The South Glens Falls Board of Education welcomes district residents, parents, students and other interested persons to its meeting. It is our goal to work together to create an environment of high expectations, high performance and constant improvement, yielding excellent results. Community involvement at Board Meetings is encouraged so that the Board can better understand and represent the views of its constituents.

Please be aware, however, that by law certain information such as individual student information or particular personnel issues cannot be discussed at public sessions of the Board. Therefore, no discussion of particular personnel issues will be allowed during the meeting. Please note, this ruling is common in school districts throughout New York State and is endorsed by the New York State School Boards Association and other professional associations.

Please reserve comments or questions for the designated time on the agenda. When recognized, please state your name and residence. The Board and District Staff take public comment very seriously and careful notes of questions and concerns expressed will be taken. However, the Board and Administration generally do not respond while the meeting is in public session. The Board asks the public's cooperation in maintaining a safe and respectful decorum and the Board President reserves the right to limit individual comments as deemed necessary.
